Another Message Book

As last year, we plan to have another book of messages and sermons given by the DBS speakers. We are sure our readers will want to order their "SELECTED MESSAGES FROM THE 14TH ANNUAL DBS MEETING" just as soon as we can assemble them and tell you about them. I look forward to this publication with great anticipation. We owe it to the coming generation to SET FORTH IN WRITING the reasons for the stands that we have taken during these past 14 years!

DBS 1991 Book Available

Be sure to get your order in for the large, 161-page book from our last year's DBS meeting in Cedarville, Illinois, May, 1991. It is for a GIFT to DBS of \$16.00. The title is: "THE DEAN BURGON SOCIETY (1978--1991)--SELECTED MESSAGES FROM THE 13TH ANNUAL MEETING AT CEDARVILLE, ILLINOIS." Order it by number. It is #2022. The meetings are also available on 6 audio cassettes (#2002/1-6) for a GIFT to DBS of \$18.00; as well as on two VCRs (#2002VC1-2) for a GIFT to DBS of \$25.00.

Tapes & VCRs For 1992

The audio cassettes and VCRs of the 1992 meeting in Canada will also be available as in previous years. You may PRE-ORDER THEM as one of our faithful DBS members in Australia has done for the past several years! The six audio cassettes will be for a GIFT to DBS of \$18.00 and

THE DEAN BURGON SOCIETY, INC., proudly takes its name in honor of John William Burgon (1813-1888), the Dean of Chichester in England, whose tireless and accurate scholarship and contribution in the area of New Testament Textual Criticism; whose defense of the Traditional Greek New Testament Text against its many enemies; and whose firm belief in the verbal inspiration and inerrancy of the Bible, we believe, have all been unsurpassed either before or since his time!

the two VCRs for a GIFT to DBS of \$25.00. Send your order in advance so we can begin getting them ready!

See Map In Last Issue

In the last issue of our *DBS NEWS* we included a MAP of how to get to the church in Scarborough, Ontario, Canada. Please consult that map or **PHONE PAS-TOR LAMORE at 416-281-4865.**

DBS Women Meet

We want to issue a cordial invitation to all interested ladies to attend the session known as **THE DBS WOMEN.** They have special needs as wives, mothers, singles, or widows. Each year at our DBS meetings for the last several years, the women have gathered together for a special time. This year in Canada is no exception. You'll notice on page one that the meeting is on Wednesday, July 15th from 2 to 5 p.m. They will be meeting at the same time as the DBS Executive Meeting. Mrs. Jane Hollowood will be the main speaker of the day. Mrs. Erma Walker plans to say a few words about the textual issues, and Mrs. Waite will review Dr. Logsdon's retreat from the false NASV Greek text and its English errors. Sound interesting!

Canadian Travel Rules

In our last issue, we mentioned a few things you would have to bring with you when you come into Canada from the United States. We left a some items out. Here's the complete list: (1) **Proof Of U. S. Citizenship.** You must prove to the Canadian officials that you are a citizen of the U.S. This can be done either by a passport, a voter's registration card, or a birth certificate. A driver's license will **NOT** do (though sometimes exceptions are made). When I asked a Canadian official about this the last time I was in Canada, he said "The only thing a driver's license proves is that you are authorized to drive a car. It does not prove citizenship." (2) **Insurance Proof.** You must also have a "CANADA NON-RESIDENT INTER-PROVINCE MOTOR VEHICLE LIABILITY INSURANCE CARD" to prove you are insured in Canada. You can get this by asking your U. S. insurance company to provide it. I had no trouble in getting one in this way. (3) **Bringing Literature Into**

Canada. If you are bringing religious literature or other materials into Canada, you might want to check with the Immigration authorities to find out whether there are any restrictions.

The DBS DATELINE

Each quarter we publish for our readers the *DBS DATELINE*. It is designed to keep our DBS family up-to-date on what is going on in the DEAN BURGON SOCIETY. Our *DBS Dateline/Spring, 1992*, issue had six pages of informative material about our DBS ministry. Perhaps you'd like to send for YOUR copy of this issue, as well as any back-issues. We'd be happy to send them to you.

New Radio Stations

Since our last issue, we have added five more stations that air our five-minute radio program "IN DEFENSE OF TRADITIONAL BIBLE TEXTS." At present, we're documenting the INACCURACY of the NIV (New Inaccurate Version). Radio Station WOEL with their two translator stations has consented to air this program in addition to the 30 minute broadcast they already carry. This is on a sustaining basis for which we praise the Lord. We also have the 5 minute daily broadcast (Monday through Friday) for one month at least on the Mansfield, Missouri, station. I will be going there for a seminar on the KING JAMES BIBLE and the Hebrew and Greek Texts that underlie it. Pastor George Bryant of the MOUNTAIN GROVE BAPTIST CHURCH will share some of the expenses for the month in order to advertise these meetings. He is also trying to get the 5 minute program on the 100,000 watt station in Springfield, MO, which is owned and operated by the Baptist Bible College. In addition to these others, we have (together with the BFT) stepped out in faith to take on a 5 minute program Monday through Friday on a powerful AM radio station WTMR in Camden, NJ. This runs about \$330.00 per month, and is on a trial basis. Perhaps someone could underwrite this entire amount, or a portion thereof. This station reaches all of Philadelphia, much of Pennsylvania, most of New Jersey, and all of Delaware. It has a potential audience of about 7,500,000 people. The KING JAMES BIBLE seems to be battling

for its life against the NEW INTERNATIONAL VERSION. This is why we have chosen to expose its inaccuracies, in this way. Pray for this endeavor, and help if you can. With so many stations in other states, we thought that New Jersey, Philadelphia, and Delaware deserved to hear about this stand as well! Do you agree?

Motel Reservations

If you are planning to come to our DBS Canada meetings this July 15-16, you will need to have some **MOTEL RESERVATIONS.** Dr. LaMore suggests the following motel for our DBS guests. It is called "JOURNEY'S END." It is only 7 minutes from the GRACE MISSIONARY BAPTIST CHURCH. It is a part of an excellent chain of motels in Canada. There is room for all of the DBS men and their wives at this one location. We are asking each family to make a personal call and set up reservations for themselves. The "800" number for the chain to make reservations is **1-800-668-4200.** If you wish to contact the Scarborough, Ontario, branch, the phone is 416-269-7400. The rates are \$65.88 in Canadian dollars (plus tax) for two in the party less a 10% discount for senior citizens. 7% tax refund will be given to us at the "Duty Free" counter as we leave the country since only Canadian citizens are required to pay this tax. We must pay it up front, but we should have it refunded as we leave Canada. Should you wish to make other arrangements, this is fine, but Pastor LaMore recommends this to us all.

A Full Program

We will have a very full program of speakers this year, as you see on page one. Because of this, we will not have a special place in the program, as in former years, for questions and answers on Bible issues. Instead, we will try to work in a brief question and answer session immediately following each speaker's message while still keeping with the time schedule so as not to infringe on the following speaker's time. We might have time for testimonies in this same fashion. We are all looking for a blessing from the Lord as we come to the nation of Canada for the first time in our 14 year history! The Pastor and his people have made us feel very welcome.

Pray For The DBS Canada Meetings--Come If You Can!

A New Report

A year or so ago, I issued a report #1845 on the "Theological Errors In The Versions." It was a handwritten study made during my month in the State of Michigan while talking on the superiorities of the King James Bible. This report has now been expanded from 16 pages (where just the verse was printed with a few handwritten comments) to 65 pages with much more detail. It is neatly arranged on our new Word Perfect 5.1 program, printed with our laser printer and then reproduced. It has an extensive table of contents as well as an index. It is for a GIFT to DBS of \$6.50. It takes up all of the major divisions of theology and shows in 158 passages how the NIV, the NASV, the NKJV in their footnotes, and the NB (New Berkley) have all departed in very serious theological and doctrinal areas. It is a MUST for the careful scholar who has met with the various forms of the lie that "NO DOCTRINE OF SCRIPTURE IS AFFECTED BY ANY GREEK VARIATION IN THE TEXT." This sentiment was expressed by eight or nine prominent writers who are quoted in the introduction. It simply is not true!

Meetings In Ohio

I recently returned from some meetings in Ohio where I was asked to speak to a meeting of Bible believing pastors and laymen who were Congregationalists. Though I was told that some of them did not take our position on the King James Bible, the chairman asked me to speak on the history of the Bible texts as it affected the new versions. I spoke for 60 minutes on "THE FOURFOLD SUPERIORITY OF THE KING JAMES BIBLE," using my book on this theme (#1594-P, 153 pp., indexed, and newly printed) as well as "THE THEOLOGICAL ERRORS IN THE VERSIONS" (#1845). Mrs. Waite thought it was a good over-view of the entire subject given in a limited time-frame for those who might have differed with us. If you'd like a copy of the tape, it is #2140 for a GIFT to DBS of \$4.00.

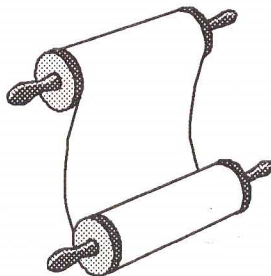

Bible Materials

Here are some more Bible Materials that are "IN DEFENSE OF TRADITIONAL

BIBLE TEXTS" as our DBS purpose outlines. In our DBS NEWS #43, we left off with #209 so we begin in this issue with #210:

210. "Why The 'Ye's' And 'Thou's' In The King James Bible" (#1821) (1 lg.p.) by Dr. Bruce Cummons. An able defense of a controversial subject in modern translations. For a GIFT to DBS of 10 for \$1.50.

211. "Awana's Errors In Leaving Their King James Bible Stand" (#1823) (28 p.pamphlet) by Dr. Robert J. Barnett. An excellent attack on the poor reasoning and policies of AWANA plus a plea for them to return to the KJB 100% for everything in their program. Dr. Barnett is one of DBS Executive Committee members. He always does a good job in his writing. For a GIFT to DBS of 3 for \$1.50.

212. "Early Manuscripts And The Authorized Version--A Closer Look (With Manuscript Digest And Summaries)" (#1825) (157 lg.pp) by Pastor Jack Moorman. A solid documentation of the case for the Textus Receptus as opposed both to the Westcott and Hort errors and the so-called "Majority Text" of Hodges and Farstad. Brother Moorman is one of our DBS Executive Committee members and a missionary in England. He now has SIX books published on textual issues. This is one of his finest. For a GIFT to DBS of \$15.00.

213. "Accuracy Of Translation And The New International Version--The NIV Exposed As Inaccurate" (#1832) (95pp) by Robert Martin. Though there are some things we do not agree with in this book, the author has taken aim very effectively at the NIV, showing exactly what is involved in its dynamic equivalency technique of paraphrase. For a GIFT to DBS of \$8.00.

214. "The New International Version--Weighed In The Balances And Found Wanting--6,653 Reasons Why The NIV Is NOT The Word Of God In English"

(#1749-P) (284 lg.pp) by Rev. D. A. Waite, Th.D., Ph.D. This is a definitive analysis of precisely what is wrong with the paraphrase known as the NIV. It shows specifically how the NIV ADDS to the Words of God, how it SUBTRACTS from the Words of God, and how it CHANGES the Words of God. Each example has been compared with the underlying Hebrew and/or Greek texts. For a GIFT to DBS of \$25.00.

215. "Ten Reasons Why The Dean Burgon Society Deserves Its Name" (#1847) (30 lg.pp) by Dr. D. A. Waite. This was a message originally given at our Dean Burgon Society annual meeting in Maine. It answers the many objections as to why the DBS is named "THE DEAN BURGON SOCIETY." Some have attempted to say that Dean Burgon's principles are not held. Such is not the case. We have a good name and a good cause! For a GIFT to DBS of \$3.00.

216. "Defense Of The King James Bible In The State Of Michigan During May, 1990" (#1848/1-12) 12 audio cassettes of Dr. Waite's meetings in many churches in Michigan. For a GIFT to DBS of \$4.00 each cassette. Write us for individual titles and places.

217. "External And Internal Evidence Against The B/Aleph Texts" (#1848/14-15) Two cassettes. By Dr. D. A. Waite. Deals both with the textual and the doctrinal deficiencies of the critical texts. For a GIFT to DBS of \$7.00.

218. "Practical Ideas On Bible Preservation" (#1848/16) cassette. By Pastor William VanKleeck. An interesting development in the Bible issue. For a GIFT to DBS of \$4.00.

219. "Why Churches Should Support The DBS" by Pastor Don Champeon, and "Dr. Edward Hills' View Of The KJB" by Dr. Robert J. Barnett. (#1850/1) cassette. Two messages delivered at the DBS meetings in 1990 in Maine. For a GIFT to DBS of \$4.00.

220. "The Heresies Of Westcott and Hort" by Dr. James Sightler, and "Some Testimonies On The KJB" by various people. (#1850/2) cassette. Delivered at the DBS meetings in 1990 in Maine. For a GIFT to DBS of \$4.00.

221. "Questions and Answers About the

How Many Of These Bible Materials Do You Have?

KJB" by various people, and *"The Doctrine Of Inspiration"* by Dr. M. James Hollowood. (#1850/3) Cassette. Also given at our 1990 DBS meetings in Maine. For a GIFT to DBS of \$4.00.

222. *"Textual Criticism And Preaching"* (#1850/4) cassette. By Pastor Denis Gibson, and *"Questions And Answers On The King James Bible"* by various ones. Brother Gibson's study is a helpful reflection on the Bible and the preacher's task. For a GIFT to DBS of \$4.00.

223. *"I Walk By Faith With My King James Bible"* by Pastor Bob Steward and *"10 Reasons Why The Dean Burgon Society Deserves Its Name"* by Dr. D. A. Waite. (#1850/5) cassette. Two interesting and helpful messages given at our 1990 DBS meeting in Maine. For a GIFT to DBS of \$4.00.

224. *"How 'Ye' And 'Thee' Help Me"* (#1850/6) cassette. By Yvonne S. Waite. An interesting message given to the DBS Women in Maine. The precision of the King James Bible because of the use of the 'ye's' and 'thee's.' For a GIFT to DBS of \$4.00.

225. *"A Work Sheet On The Uses Of 'Ye' and 'Thee' In The King James Bible"* (#1850/6-P). (10pp) By Yvonne S. Waite. Informative illustrations on how the new versions make it impossible to interpret correctly various verses because of their scrapping of precise English. For a GIFT to DBS of 2 for \$1.50.

226. *"The Trinitarian Bible Society--Changing back?--We Hope So"* (#1856)

(22 lg.pp) By Dr. D. A. Waite. Various documents concerning the TBS from various sources showing a desired attempt on their part to rid themselves of the compromise that was once within their ranks. This compromise consisted in desiring to swerve from the Textus Receptus only position to a movement toward the so-called "Majority Text" of Hodges and Farstad, or some other so-called "Majority Text." They also had toyed, at one time, with the idea of printing the New King James Version in addition to the KJB. We hope they have a sincere return to their original course! For a GIFT to DBS of \$2.50.

227. *"The Inside Story Of The Anglo American Revised New Testament"* (#1857) (260pp) by George H. Coy. This is a MUST for all students of both the English Revised Version (ERV) of 1881 and the American Standard Version (ASV) of 1901. The two were linked together in many ways. The compromise in theology and in textual verity are outlined. For a GIFT to DBS of \$12.00.

228. *"Your Comrades The Prophets--A Review Of The New Revised Standard Version"* (#1859) (5lg.pp) by Dr. Thomas M. Strouse. A good beginning summary of this NEW RSV put out by the apostate-led National Council of Churches. For a GIFT to DBS of 2 for \$1.50.

229. *"The King James Bible's Superiority"* (BFT Radio/34-39) 6 cassettes. By Dr. D. A. Waite, as broadcasted over our network of radio stations. For a GIFT to DBS of \$4.00 per cassette.

230. *"The Life And Letters Of Brooke Foss Westcott"* (#1866) (928pp) by his son, Arthur Westcott. A two-volume reprint (in one volume) of the correspondence carried on by Westcott. This has been out of print for many years. It shows the rank apostasy of this Bishop in the Church of England. It also shows his affinity to Roman Catholicism, to Communism/socialism, and to the false theory of Darwin's evolution. When this is read and studied, those who believe Westcott to be a "conservative" will be shown to be wrong. For a GIFT to DBS of \$45.00

231. *"The Life And Letters Of Fenton John Anthony Hort"* (#1867) (997pp) by his son, Arthur Fenton Hort. A two-volume reprint (in one volume) of the correspondence carried on by Hort. This has been out of print for many years. It shows the rank apostasy of this Professor in the Church of England. It also shows his affinity to Roman Catholicism, to Communism/socialism, and to the false theory of Darwin's evolution. When this is read and studied, those who believe Hort to be a "conservative" will be shown to be wrong. For a GIFT to DBS of \$48.00.

232. *"Are The Oldest Manuscripts Automatically Best?"* (#1868) (7 lg.pp) by Dr. Marc A. Graham. A good study on an important subject. Answers the critical text's main argument head-on. For a GIFT to DBS of 2 for \$1.50.
